Dear Sir

Please refer to the trailing email from M/s **Quadrigen Vethealth Private Limited**, a SEZ unit location at **KIADB Pharmaceutical SEZ, Hassan, Karnataka regarding problem due to proposed suspension of SION** SI No.A131 (Chemical & Allied products) vide Trade Notice as part of 544 SIONs due to such SIONs remaining unutilised during the last three financial year under the Advance Authorisation (AA)/Duty-Free Import Authorisation Schemes.

They have stated that they previously exported this product from their DTA unit by availing the benefit under the Advance Authorisation scheme. However after they started manufacturing & exporting this product from their SEZ unit, they stopped availing the Advance Authorisation benefit. However, this SION is used for checking the utilisation of imported inputs by SEZ unit during the annual audit by Customs and other authorities.

Similar would be the case by other SIONs by other units in SEZs/EOUs. EOUs also need SIONs while selling their finished products in the DTA for payment of duties on the inputs utilised in the manufacturing of finished products as per the Foreign Trade Policy (para 6.07(a)(i))

Therefore, it is requested that usage of these SIONs by EOUs and SEZ units in terms of utilisation of their duty free inputs may also need to be taken into account before suspension of these SIONs.

Regards

Respected Sir,

Warm greetings from **Quadrigen Vethealth Private Limited**. We are SEZ unit location at **Plot # 101-B, KIADB Pharmaceutical SEZ, Hassan 573 201, Karnataka**.

We refer to the recent DGFT Trade Notice No.26/2026-27 dated 07.09.2026 regarding the suspension of 544 SIONs & express our concern that we manufacture and export a product mentioned in this notification under SION SI No.A131 (Chemical & Allied products).

We export this product under our brand name 3 Quinol (Chlorohydroxyquinoline 60%). This is also approved in the Letter of Approval (LOA) issued by the Development Commissioner, [CSEZ, Cochin](#). A copy of this LOA is attached for your kind perusal, Sir.

We previously exported this product from our DTA unit by availing the benefit under the Advance Authorisation scheme. However after we started manufacturing & exporting this product from our SEZ unit, we stopped availing the Advance Authorisation benefit currently.

In light of the above, we kindly request your good office to represent our request to continue with this SION with DGFT, which may be called for during an audit of our unit by the Customs or any other relevant authorities.

We will provide any further information you need on this matter.

Thanking you, in anticipation,

warm regards,

Suresh Kumar
